

Trainee Director

The Trainee Director will be based in Dundee during rehearsals and run before touring with the production. This post will work closely with Jenny Sealy in the creation of the show. They will lead warm ups and take an active role in the rehearsals and then, supported by the Artistic Director team, take on the role of staff director, supporting the production from venue to venue and overseeing the run. This post will have a pre-rehearsal week to be mutually agreed; and will start at the start of rehearsals on a full time basis, working across all departments. The Trainee will be expected to complete a short report at the start and end of their Traineeship, detailing their desired outcomes and their progression.
