

# The Witches

AF/Relaxed Performance, Sat  
12 December 2015 2.30pm,  
Dundee Rep

Approx time 2hrs, including 20 minute  
interval.

**This is Dundee Rep where you will go to see  
The Witches.**

**When you walk inside the theatre, you may have to wait  
here for your ticket to see the show.**

**Once you have your ticket, you will need to walk into a bigger room called the auditorium. There are lots of seats and this is where everyone sits to watch the show.**

**People who work at the theatre are called ushers. They can show you where your seat is. The number on your ticket tells you what seat you must sit in.**

**The show should start at 2.30pm.**

**It will get slightly darker, but the lights will still be on.**

**You can see and listen to people tell you their story on a stage. These people are called actors.**

**It is okay if you need to leave and come back anytime you want during the show.**

**This is a quieter room in the theatre. You can go there any time before and during the show. Ushers can take you there if you need help.**

**This is Boy and he lives with his Grandmother**

**Grandmother is a wonderful story teller. Boy loves all the stories, especially the ones about witches.**

**You will have a lot of fun during the performance.  
Sometimes it might be loud but don't worry, nothing will hurt you. If the sounds are too loud you can put your hands over your ears, or wear your headphones (if you brought some with you).**

**After each song, some people will clap or wave their hands at the actors. This is nice because it tells the actors you liked their song. You can clap or wave your hands if you want to.**

**There are 2 parts to the show. In between the 2 parts there is a break called an interval. This is so the actors can have a short rest. During the interval is a good time to use the toilet and have a drink and a snack.**

**After the interval, everyone will come back and sit down in the same seats again. It will get darker and quieter again just like at the beginning of the show. The actors will come back on the stage and finish telling the story of The Witches.**

**After the show is over, you will leave the theatre.**

**You might not leave the same way that you came into the theatre.**

**We really hoped you enjoy The Witches.**
